The Second Annual Roger E. Clarke Golf and Tennis Outing

This event is named to honor Dr. Roger E. Clarke, one of Wyckoff's past Superintendent of Schools. In collaboration with the Wyckoff Education Foundation (WEF), the day will be a special tribute to his legacy.

Throughout his career as a teacher, principal and superintendent of Wyckoff schools, Dr. Clarke was deeply committed to the educational welfare of our community's children. He pioneered many of the curricula and technologies which have benefitted our students over the years.

The Wyckoff YMCA and the Wyckoff Educational Foundation take Roger's commitment to heart and strive to carry on his memory and legacy in our schools and community.

This year, the Wyckoff Y provided scholarships for child care, before and after school care, and summer camp to several hundred families in need, amounting to over \$300,000. Proceeds from our event will benefit Y children's programs and scholarship fund, and help provide a college scholarship to a deserving high school senior each year.

The Classic will also support WEF, whose mission is to raise funds for programs, activities, services, and tools of learning which will enhance and motivate educational excellence in the Wyckoff school system.

Together we can make a difference for the children of our community.
