

Dear Fifth Grade Parents,

In addition to the candid shots included in the memory book, each fifth grade student is given a personal area that they can customize. It will include his or her fifth grade portrait from the photographer, a brief biography (the form is attached) and space for two additional images. Some image ideas are – their kindergarten portrait, a favorite school photo from past years, a favorite personal photo or a favorite drawing. You can select two and they should be submitted in digital format.

Please email the photos labeled with your fifth grader's name to washington.5th@gmail.com

The biography form can be completed online through one of these links:

[MS Word](#) Format

[PDF](#) Format(print and send in)

[Mac or Rich Text](#) Format (add link here).

The deadline for the images and biography form is February 1st.
