

BLASTING OFF WASHINGTON'S SCIENCE FAIR

IT'S TIME TO REGISTER

Who: Washington's 3rd, 4th and 5th Graders

When: Tuesday, March 6, 2012 from 6:00-8:00pm

We are excited to continue our annual Science Fair tradition at Washington Elementary! You may enter your science project as an individual or as a group (no more than 3). To get ideas for science projects, feel free to visit Washington's Media Center for helpful resources.

In order to register for the Science Fair, please email Christine Tsairis (cact1@verizon.net) or Katie Bizub (klpb@verizon.net) and provide your student's name, grade, teacher and a short description and title for your science project. The registration deadline is **Friday, February 17th**. Please note, this date is right before the February Break.
