

# It's time to enroll for **BERLITZ KIDS** **Spanish** language classes at **LINCOLN** **SCHOOL!**

**Language –  
encourage it now . . .  
reap the benefits later.**

## **Why now?**

Here are a few reasons why now is the perfect time for your child to learn another language:

- Research shows that children who study languages are more imaginative, better with abstract ideas and more flexible in their thinking.
- Foreign language education has a positive impact on standardized test scores.
- Children's developing minds are more likely to allow them to acquire greater proficiency and speak with near-native accents.
- Children are more flexible, speak freely, and are not afraid to make mistakes.
- Children are like "sponges" eager to absorb knowledge – as long as it's fun, of course.
