

## Washington School PT0 2010 Plant Sale

Spring is coming and before you know it, it will be time for planting! Start thinking now of all the colorful flowers that will brighten your yard, patio and window boxes.

Once again we are pleased to offer a wide selection of annuals, perennials, and herbs at prices that are competitive with local nurseries. In addition to the flats and small potted annuals, we have available hanging baskets and patio planters, which can be a quick planting solution for your patio or deck. These items also make great Mother's Day gifts.

If you aren't sure what a particular flower looks like, there's a book with color pictures in the school office, or check out one of these websites: [provenwinners.com](http://provenwinners.com) or [freemanherbs.com](http://freemanherbs.com). If you would like information on what you ordered last year, you may contact either Annette or Diane.

In an effort to support Washington's "Go Green" initiative, we are not distributing paper copies of the order form. It can be downloaded and printed from the Washington School Website ([www.wyckoffpto.org](http://www.wyckoffpto.org)) under the "more info" section. For those who need a paper form, there are some in the front office at school. Or you may contact either of us and we'll send you a paper copy.

Thanks for your understanding.

**All forms have to be in by Monday, March 22nd.  
Please make checks out to Washington School PT0.  
Pick up will be Monday May 3rd in the lower lot.  
(Just in time for Mother's Day!)**

If you have any questions, please call: Annette Hildebrandt at 560-0860 or Diane Bogusta at 847-9069.
