

# Outdoor Classroom Wish List

## PLANT MATERIAL

Dear Parents,

Happy New Year! Through your generosity we will be able to purchase many of the plants on our wish list! When the ground thaws in the spring it is our hope to have all of the plants purchased and ready for planting.

Please let us know if you, or a collective group, would be interested in helping with the remaining wish list items. If so, please return this form in an envelope marked OUTDOOR CLASSROOM to the school office. Do not forget your name, information and your check made out to Sicomac PTO. Wish list donations are accepted in the order in which they are received. We are almost there! If you have a question about available plantings please call or email Aishling Peterson (401. 207.1759) or [aishling@verizon.net](mailto:aishling@verizon.net). Thank you.
